The United States makes this submission in response to Defendant Agustin Huneeus, Jr.'s motion for early termination of supervised release. As the defendant stated in his motion, the United States Attorney's Office for the Northern District of California has conferred with the United States Attorney's Office for the District of Massachusetts, which brought the charges that gave rise to the defendant's supervised release. The United States Attorney's Office for the District of Massachusetts has considered the matter and does not oppose termination of the defendant's supervised release. Accordingly, the United States Attorney's Office for the Northern District of California also does not oppose the defendant's early termination.
